This LEGO® Technic John Deere 9620R 4WD Tractor with articulated steering and a tipping trailer offers a cool project for kids who love tractor toys. Get ready to tackle any job on the farm with the LEGO® Technic John Deere 9620R 4WD Tractor. This model is inspired by the real thing, with huge wheels and articulated steering. There's also a trailer that tips – perfect for moving heavy loads. With its all-terrain wheels, the trailer can navigate any surface. It also has a drawbar with an extra hinge, letting it travel over hills and valleys. Suitable for ages 8+
